## Women's Concert Attire 2009-2010

To create a **consistent, professional look** for our performing groups and to convey excellence through both our music and our appearance, all women in both band and orchestra will wear the long black knit gown listed on the order form below for their concert attire. Returning students who have a long black dress or long knit skirt with knit top that they previously purchased through the instrumental music program may continue to wear them. Any other choices must be approved by your director.

New or returning students who are cellists, percussionists, or play other large instruments have the option of ordering the palazzo pants and knit top listed on the order form.

You can visit [www.formalfashionsinc.com](http://www.formalfashionsinc.com) to view the gown or palazzo pants/knit top. Please use the style number listed on the order form below.

You are responsible for having the gown or palazzo pants hemmed. All of the concert attire is machine-washable and wrinkle-resistant.

Women will need to provide their own black low-heeled, **closed toed shoes** for concerts. Shoes must be worn with black hose. Any hair accessories must be black. Any jewelry worn should be small and discreet. Dresses and knit tops should have an elegant flow, not a tight fit. **Do not** add t-shirt or camisole layers (including black) under the dress or top. Remember to look your best, keeping the best interest of the overall appearance of your group in mind!

Please fill out the order form below and turn it in with payment at the September 10 meeting. The order form and payment may also be turned in to the music office or mailed to the address listed on the form. The order deadline is Monday, September 28. *It is important to include accurate measurements on the order form.* Volunteers will be available to assist you with this at the meeting or early in the year during class. Orders are scheduled to arrive in time for the garments to be hemmed prior to the winter concerts. Orders will be delivered to the students at school.
